Dear Clerk,

Please file and foward this letter and appended documen to the Chief Judge of the Circcuit, in accordance with and in comportment thereof of 28 U.S.C. §377(c)(1). I am a victim of Judge Morris Lasker's inability and unwillingness to lawfull and properly administer his Court and ensure that the law and my personal rights to Due Process of law as well as other rights are not violated.

Mr. Lasker has also deliberately with held from me and from the record a disclosure of a personal relationship with a putative victim in my undrlying criminal case. This relationship apparently gave rise to otherwise unsupported bias and prejudicial actions and commentary, on the record, in the course of my trial.

In addition, Mr. Lasker studiously and deliberately violated may rules of the court, statutory law, and the 1st, 4th, 5th 6th, 8th, and 14th amendment rights accorded to me as a citizen of the United States. Moreover, in a demonstra on of a total lack of ehtics and morel judgment, he permitted me to be tortured by starvation for two weeks during the trial, depite daily requests to forestall such continuing conduct.

My complaints are not made lightly and I suspect that Lasker may ve suffering from a mental defect or abberation bowever, my liberty interest has been sacrificed by his frivolo and capricious and malign administration of his Court. I believe that he should be not only censured, but recommended

for impeachment and not be allowed to resign.

Enclosed is an affidavit supporting my request for his recusal and suggestion for consideration of a recommendation for impeachment, as well as copies of pleadings filed in an ancillary matter that may help more fully explore the conduct in question.

Please return a file stamped copy to me at your earliest opportunity.

Sincerely, Jamie Edelkind
